Struan Lodge is a purpose built Nursing and Dementia Care Home with an active philosophy of first class care. Our home is situated in the desirable residential area of Murrayfield, adjacent to Carrick Knowe golf course. Struan Lodge has been carefully designed to provide all the features required in a modern Care Home whilst maintaining a relaxed, homely atmosphere.

A HOME FROM HOME WITH THE HELP YOU NEED

Our team are highly focused on delivering the finest person-centred care, 24 hours a day, and are sensitive to each individual's needs and preferences. It's extremely important to us that our residents think of Struan Lodge as their home. We don't have set visiting hours - friends and family are always welcome to drop in for a chat, a coffee or a bite to eat.

LIFE AT STRUAN LODGE

Our residents enjoy the benefits of group living with like-minded individuals, free from the stresses of managing a home. As well as their own spacious en-suite bedroom, residents are invited to relax in any of our beautiful day rooms and lounges or take part in the range of activities available. Daily activities are hosted by our dedicated Activities Co-ordinator in addition to regular outings and special events.

Fresh, seasonal dishes are created by our chef to promote healthy eating and balanced nutrition – in addition to providing delicious home baking and afternoon teas! We cater for all special diets and intolerances, too.

As well as our beautiful surroundings and state of the art facilities, what really makes Struan Lodge so special is the team of highly trained people who are there for you whenever you need them; whether that's

for a cup of tea and a chat or to help with your healthcare.

TAILORED TO SUIT YOUR NEEDS

Building true relationships is as important to us as your care plan, so we spend our time getting to know each of our residents, their personal preferences, interests and their life stories. As well as enjoying meaningful conversations, this helps us to tailor support and care plans to suit. Should your needs change, that's no problem: our team will ensure your care plan changes with you.

Our aim is to give you the confidence and freedom you need to live a fuller, more active and independent life – in a friendly, welcoming and comfortable environment that you are happy to call home.

Sit back, relax and enjoy your retirement in style. You deserve it.
